

SAILBOAT 65FT CUTTER SLOOP

\$450,000 Year: 1996 | Length: 64.96 ft | Malaysia

SAILBOAT 65FT CUTTER SLOOP

OVERVIEW

The owners bought Valtair in late 2002, and was extensively refitted and refurbished from the bare hull to new riggings and sails. It took nearly two years in Brisbane to re-commission Valtair. As much as further tons were added from her minimum weight ratio for pure racing to suit the present cruising needs of modern comfort such as generator, air conditioning system, watermaker, additional fuel and water tank, furling boom, music and video entertainment centre and a host of other creative comfort furniture and easy navigational equipment. Valtair has twin S-Drive engines, retractable keel, sonar and bow thruster for maneuvering in a tight spot. All safety equipment is on board to meet the international sailing safety standards.

There are five double cabins on Valtair: two at Fore (front) for the crew, one at mid section and two at Aft (rear). The two Aft cabins shared a head (bathroom), the mid section has attached head, the rear two share in between head. Valtair can accommodate ten people, four for crew and six for guests and if the owner would be on board, she can take two couples as guest.

A large saloon cum-dining at mid section offers panoramic view and similarly the cockpit can be used for lounging and outdoor dining under shade of the bimini.

With all the hydraulic and automatic equipment on board, Valtair can be sailed easily with minimum crew. However, she has been provided with two permanent staff of husband, skipper and wife mate and with two other lucky volunteers that would be recruited on board from time to time.

MEASUREMENTS

Length: 64.96 ft

Beam: 16.73 ft

Displacement:

PROPULSION

Engine No: 1

Engine Make: 2 x Yanmar

Engine No: 2

Engine Make: 2 x Yanmar

Yachting Freedom since 1984

T: +852 25555 8377

Engine Model: 4JH4 SD-50T

Engine Year: 2007

Engine Fuel Type: Other

Engine Power: 75HP

Engine Model: 4JH4 SD-50T

Engine Year: 2007

Engine Fuel Type: diesel

Engine Power: 75HP

CONSTRUCTION

Builder: Applied Alloy Yachts

Max Draft: 7.55 ft

BOAT DETAILS

General Description

Hull colour blue

Type high performance cruising cutter sloop

Construction aluminium hull and superstructure

Fuel capacity (diesel) 2 – 400 litres & 2 – 500 litres

Water capacity 2 x 450 litres

Air-conditioning reversible Climma A-C system

Displacement 25 tonnes

Mast Seldon aluminium mast

Deck, marine deck 2000

HOW CAN WE HELP?

E: brokerage@simpsonmarine.com T: +852 2555 8377

SIMPSONMARINE.COM

Machinery & Electrical Equipment

Machinery

Engine, Twin Yanmar Model 4JH4 x SD-50T – 75 HP each with S-Drives (Installed January 2007)

Generator, new Mase 1 S12 – 15 KVA and remote control

Bow thruster, reconditioned Volvo bow thruster

Water maker, Reconditioned Volvo bow thruster, 400 with second MPC, 300 control display, 150 litres per hour

Hydraulics, reconditioned and upgraded on existing system, added 2 units

Winches, 2 Barient Hydraulic Winches (for main traveler sheets and boom furling, 2 Barient Manual Running Rigging Winches, 2 Hutton Arco genoa winches

Equipments

Bilge pumps, 6 x electric + 2 manual

Windlass, Muir electric windlass new anchor winch motor

Steering, 5 epoxy aluminum with cover, Improved and reconditioned

Lifting keel, Vickers hydraulic control system and centerboard

Batteries, New Five Lifeline GPL-8D, Deep cycle AGM, Batteries 12V 255 amp. hrs

Switch panel, BEP 900 – AC 4D 16 and NC 36 NM

Inverter, Victron Phoenix Inverter/charger – Multiplus 12/3000/120-50, (Installed June 2011)

Stove, Broadwater Brigantine 4 burners, microwave

Refrigerator & freezer, Waco custom-made

Ballast, 9 tons

Fuel capacity, Diesel (2 – 400 liters & 2 – 500 litres)

Water capacity, 2 x 450 litres

Generator, MASE iS12-15KVA

Watermaker, Spectra Newport 400

Bow thruster, volvo

Boom, Hydraulic Leisure furl

Furlers, 2 x Harken hydraulic Stays

Tender, 3.1m Gemini Inflatable

Outboard, 15 H.P. Yamaha

Waste, 800 gallons Gray with waste treatment

Navigation Equipment

Radio

Autohelm instrument 225HF Radio Raymarine radar

Navigational

Muir Retractable or hydraulic

T.V. & VCD

21" LCD flat screen Samsung Monitor

Bose 1:2:3 audio visual entertainment center

Follow-me-TV satellite tracking system

Bose External speakers

Other Features

Deck covered with Marine Deck 2002

Dinghy store

Retractable anchor

Swing Davit

Folding s.s. ladders

Retractable bow pod

Insulated Hull and Deck

Extended Bimini from Dodger

Archbar

Accommodation

Fore double berth with shared head.

Starboard twin decked berth with shared head

Mid double berth with individual ensuite

Two rear doubles (2 singles) berth with shared ensuite.

Raised deck saloon table and seating 6–8

Pilot and navigation table

Bose Entertainment center & Flat TV

Cockpit dining with two extended tables

Dinghy garage

Sails, Rigging & Winches

Spars & Rigging

Mast (all new), Seldon aluminum section mast by All Yacht Spars Australia, with three spreaders. Stainless steel riggings, Dynex runners and Compate 316 stays, Halyards and running riggings and Dyneema racing ropes

Boom over ride, Hydraulic aluminum boom by Leisurefurl of N.Z. with manual

Spinnaker pole, Carbon fiber painted and refitted with adjustable stay to mast.

Bowsprit, Carbon fiber painted and refitted with manual control.

Staysails, Reconditioned Harken hydraulic furlers for fore and inner stay

Sail

Transformer, Star Delta isolation transformer, Two high powered alternators

Water system, 2 x 8 litres Auto-San waste system

Main, 94 sq.m In Boom fully battened Mainsail High performance cruising, laminate Tri Radial Cut made by Rolly Tasker Sails (January 2009)

Headsail, 129 sq.m 150% Roller furling High performance cruising laminate made by Rolly Tasker Sails (January 2009)

Staysail, 29.9 sq.m Roller furling high performance cruising laminate made by Rolly Tasker Sails (January 2009)

Spinnaker, 2.2 oz Asymmetrical Spinnaker carbon fibre

Deck gear, 4 hydraulic Bariant winches, 2 Harken manual winches, 1 Harken electrical furling jib, 1 Harken electrical furling staysail, 1 Harken Mast winch, Hydraulic Seaway, Hydraulic Seaway, Carbon fiber, Carbon fiber

Safety Equipment

Life raft, 2 x 6 pcs RFD life rafts

Epirb, 406 MH2 Distress Beacon

Fire extinguisher, 1 – 2.5 kg. Chubb, 1 – 0.9 kg. Quell, 2 – 0.5 kg.

Dinghy, Gemini 310 fibreglass bottom wiyh 15HP Yamaha engine

Flotation system, new Turtle PAC 19 bags x 11 cylinders
