ABSOLUTE NAVETTA 73

OVERVIEW

Ideal timing for Summer 2024! New to the market, and packed with all the features of an 80ft yacht, this 2020 Absolute 73 represents an incredible opportunity on the brokerage yacht market. Winner of a World Yacht Award for Innovation, the Absolute Navetta 73 effortlessly feels much larger than her true LOA. Powered by twin Volvo IPS 1000hp engines, this Italian yacht has top speeds near 25 knots, and cruises in the 18–20 knot range.

Fitted with a spacious 4–cabins and 4–heads layout, you and your family have all the space and privacy you need for weekend trips on the water. For socialising, this flybridge motoryacht's saloon is inviting and spacious, flowing seamlessly to a large dining area and well-appointed galley (Miele appliances).

Moving up to the flybridge, as you climb the steps from the cockpit, you will immediately be impressed by simply how much space is available. To port of the flybridge is a large wetbar, serving counter and BBQ grill. To starboard are two sofas and a dining table, and aft is a spacious area for chairs and sunbeds. For those who prefer to avoid direct sunlight, the entire flybridge can be nicely shaded from the sun.

Owned by one owner since new, and well taken care of by her conscientious crew, this 2020 Absolute Navetta 73 will give you some amazing boating in the years to come. Please contact us to arrange your viewing.
