

AQUILA 36 SPORT

\$370,000 | Year: 2017 | Length: 36 ft | Thailand

AQUILA 36 SPORT

OVERVIEW

The Aquila 36 is widely regarded as the leader within category, offering owners a super versatile platform on the water. This extremely spacious outboard-powered catamaran provides the ideal boat for fun days out island hopping or weekends away with its comfortable air-conditioned two cabin layout. Activities are endless on the 36 Sport, an on-water entertainer, dive boat, offshore deep sea fisher or a sunset cruiser.

This 2018 model is fitted with twin 4-stroke Suzuki 325hp engines providing strong performance with a hull design that offers superior comfort and sea keeping. The engines have both had new blocks fitted coupled with a gearbox change in October 2023, making these engines as good as new. Further benefiting from a host of upgrades including air conditioning, generator (overhauled November 2023), enclosed saloon windows and transom BBQ. Having just been out of the water and freshly antifouled, this 36 is ready to go for the upcoming season.

Ready to be enjoyed by new owners, currently lying in Phuket, Thailand and Thai flagged. Please get in touch with Jamie Allwork and Simpson Marine for further details.

Manufacturer Provided Description

The Aquila 36 is a power catamaran that blends plentiful live aboard space and qualities perfect for socializing with rugged strength and control. Offering the conveniences of a large yacht including topside summer kitchen with smokeless grill, the Aquila 36 has cockpit seating for over two dozen adults and two comfortable cabins with private en-suite heads. A hardtop is available with or without an opening sunroof. Add its open water capabilities, wide stance and twin sponsons, and the boat is remarkably stable making it exceptionally comfortable at speed or while at rest. The Aquila 36 features 2 cabins with en suite heads.
