HIGHFIELD PATROL 860

OVERVIEW

Highfield 860 Patrol (September 2022)

A rare opportunity has arise to purchase the jewel in the crown of the Highfield RIB range. The 8.6 metre Patrol is an amazing RIB which has unrivalled sea keeping and almost unparalleled performance in its class.

With only light use since it was delivered to Phuket in September 2022, this RIB is ready to provide its new owner with amazing days out in Phangna Bay and Phuket's surrounding waters.

Having been kept out of the water during low season the hull is in as new condition and the tubes are also in good order.

BOAT DETAILS

Manufacturer Provided Description

Our flagship distance cruiser, with big weather capabilities. The 860 can carry up to 20 people with ease, and its modular design and layout means it can be used for virtually any application required. The Patrol is built from 4.5mm 5083 aluminum plates with 6 and 10mm stringers. With their super deep V, wide chines, and large diameter tubes, the Patrol series offers high maneuverability, high safety, and a soft dry ride even in the roughest conditions. They're designed to carry large loads and plane quickly and easily with modest horsepower. For charter boat and commercial operators, the modular set-up option means that we can build a layout that suits your requirements. When safety, toughness, and reliability really matter, the Patrol range should be at the top of your list of boats to consider.
